Qualifications: To receive the 2 1/2% homestead tax reduction, you must own and occupy your home as your principal place of residence on January 1st of the year you file for the reduction. A homeowner and spouse are entitled to this homestead tax reduction on only one home in Ohio, unless they can establish that they are domiciled separately. A person only has one principal place of residence. Your principal place of residence determines, among other things, where you are registered to vote and where you declare residency for income tax purposes.

Current Application: If you are applying for the 2 1/2% homestead tax reduction for the first time this year, check the box for **Application for this year**.

Late Application: If you also qualified for the 2 1/2% homestead tax reduction for last year, but did not file an application last year, you may file a **Late Application** by checking the **Late Application for prior year box**.

Instructions: The lines after **Auditor's No.** is for the Auditor only; do not write on it. The lines following **Parcel #** and **Tax District** are for the parcel number of your home and taxing district in which it is located. Both of these can be found on your tax bill. If you cannot locate them, contact the 2 1/2% Homestead Rollback department (937) 521-1880. List the names of all owners in the **Name of Owner(s) of Home** field. If all the names are not on your tax bill, list the names as they appear on the deed to your home.
